PRACTICE OF LAW

SCR 3.667 Extension of time requirements

(1) The time requirements associated with completion of continuing legal education and certification thereof, as set forth in Rule 3.661(l) and (8), may be extended by the Commission in case of hardship or other good cause clearly warranting relief. Requests for time extensions for completion of activities or certification thereof shall be made to the Commission in writing. All requests for time extension must be received by the Commission no later than the September 10th following the end of the educational year for which the time extension is sought. Requests must set forth all circumstances upon which the request is based, including supporting documentation. Applications for time extensions for completion of the New Lawyer Skills Program may be submitted pursuant to SCR 3.652(8).

(2) A member who fails to complete the requirements of Rule 3.661 for any educational year, and who cannot show hardship or other good cause clearly warranting relief, may submit a plan for making up his or her delinquency, provided that the Commission has not approved such a plan for the member for either of the two preceding educational years. The plan must be received by the Commission no later than the September 10th immediately following the end of the educational year for which the time extension is sought. The plan will be approved only if the member pays a filing fee of \$250.00 and the plan lists activities which would provide, by the September 10th immediately following the end of the educational year, the credit hours needed to make up the deficiency. Such plan shall be deemed accepted by the Commission unless within 15 days after receipt of the compliance plan and filing fee, the Commission notifies the applicant to the contrary.

(3) Failure to comply with extended time requirements granted by the Commission pursuant to Rule 3.667(l) or (2), including both completion of continuing legal education activities and certification thereof, shall subject the member to the sanctions of Rule 3.669: Suspension for Non-Compliance.
