Kentucky's New Attorneys Need Your Help!

Become a Mentor or Volunteer Advisor

The KBA welcomes volunteers in support of its new Find a Mentor service through which new attorneys may connect with more experienced attorneys listed by practice area and location for in-person mentoring and support. The service is a part of the **Great Place To Start** (GPS) resource hub for new attorneys that will also include a Lawyer to Lawyer service that will allow new Kentucky attorneys to ask questions of more experienced "Attorney Advisors" via e-mail and/or telephone. The new services will be available only to bar members who register through the KBA and who have been licensed for less than five years.

If you are interested in becoming a Mentor and/or an Attorney Advisor, please visit <http://kbagps.org/find-a-mentor/become-a-mentor> and <http://kbagps.org/lawyer-to-lawyer/become-a-volunteer>.
